

IMPORTANT PUBLIC MEETING

7.30pm Thursday 13th June - Lady Hastings School

This is the first meeting organised by the newly formed resident TATE Action Group (TAG) to raise awareness and take appropriate action regarding the TATE housing and relief road proposals.

7 reasons why you need to be there!

- 1 Development is not inevitable!** Previous attempts to build on TATE were successfully resisted.
- 2 We oppose all housing on TATE** based on a previous public enquiry concluding it was not a sustainable location – **nothing has changed.**
- 3 Come to the meeting** – to succeed we need to demonstrate overwhelming public support.
- 4 Your input is vital** – putting legitimate pressure on politicians and planners to listen.
- 5 TAG was formed by concerned** residents to coordinate our efforts, to make sure **you** have the information and to advise residents on taking action.
- 6 If you want to protect your** community from the effects of unsustainable development – then **please attend this Thursday.**
- 7 Why bother?** See June Causeway's centre spread – the yellow pages – for full information. Your village is under threat. Don't leave this to others, get the facts, get involved.
